

Characters:

Crisps, a black dragon

Esther, a pink dragoness

Heaven, a purple dragoness

Lamia, a female wolf-dragon hybrid

Empusa, a female white wolf

Act I, Scene II: (Crisps' and Esther's Bedroom. The scene starts off in pitch black and is relatively silent until the sounds of Heaven, Empusa and Lamia's hysterical crying breaks it. Crisps and Esther can be heard moving around and murmuring being awoken from sleep.)

Crisps: \*groggy\* What.. what's going on..  
Esther: \*panicking\* Oh my gosh, the kids! Crisps!

(Crisps turns on the lamp as the room illuminates and the screen shows them sitting up in their bed in a cold sweat. Esther's eyes are darting around as her concern grows.)

Crisps: \*stern\* I'll see what's going on..

(Esther looks over at Crisps and shakes her head in disagreement.)

Esther: No.. we'll see what's going on..

(Just as Crisps and Esther are about to get out of the bed, the bedroom door flies open. Heaven, Empusa and Lamia come in running and are continuing to cry hysterically as they leap into the bed. Heaven clings to Crisps as Empusa and Lamia cling to Esther, shivering in fear.)

Esther: My wonderful, sweet, little angels.. why are you so upset?

Crisps: Nightmares from what they ate?

(Esther glares at Crisps as she cuddles Heaven, Empusa and Lamia close to her, kissing each of them on the foreheads and wiping tears away as they continue to cry hysterically.)

Heaven: \*through tears\* Bad dream! It was Santie!

Lamia: \*through tears\* Santa is going to hurt us! Please don't make us go back to bed!

Empusa: \*panicking\* Momma! Daddy! Please don't!

(Esther and Crisps give each other bewildered looks as they both try to comfort the three crying children.)

Esther: \*concerned\* How could all of them have similar nightmares? It just doesn't make sense..

(Just as Crisps is about to respond, the sound of more crying children can be heard from outside their bedroom window. Crisps gets up from the bed and looks out the window. A red fog has filled the entire town and reduced the visibility of the other caves to the lit windows of them, giving off a bright yellow glow.)

Crisps: \*somewhat devastated\* I think I just found the problem.. I'm alerting the King and Queen..

(The camera moves from the window and back to Esther who is still sitting on the bed with Heaven, Empusa and Lamia cuddled close to her as they're still sobbing and quivering in fear. Crisps is making his way out of the bedroom.)

Esther: I'll get in contact with our friends.. we're gonna need all the help we can get..

(Crisps hands Esther his pendant as she grabs it and looks into it. She is shown

talking into the pendant as the screen  
fades to black.)
